Post-9/11 GI Bill™ (Chapter 33) and Yellow Ribbon Program

Post-9/11 GI Bill™ (Chapter 33) Benefit

☐ The tuition and fee benefit cap for the 2019/2020 academic year at a private school is $24,476.79 for students with a 100% eligibility tier level.
  
  o Tuition and fee benefit payments are made directly to the student’s university account.

☐ The monthly housing allowance is paid at the E5 with dependents Basic Allowance for Housing (BAH) rate based on the school’s zip code.

  o Effective August 1, 2019, the housing allowance rate is $1,341.00 at the 100% eligibility tier level.
  o Payment is made directly to the student’s personal bank account at the beginning of each month for the previous month.
  o Payments for August, December, January, and May are prorated.
  o For more information: https://www.defensetravel.dod.mil/site/bahCalc.cfm

☐ Stipends for books and supplies are up to $1,000 per academic year at the 100% eligibility tier level.

  o Payment is made directly to the student’s personal bank account.

☐ Benefits for less than the 100% eligibility tier level are paid at the percentage rate of eligibility, as determined by the VA based on the service member’s record of service.

  o For example, at the 60% eligibility tier level the benefits for an academic year are estimated at:
    □ Tuition and fee benefit cap: $14,686.07 (60% of $24,476.79)
    o The benefit paid will be 60% of the net tuition and fees reported to the VA, up to $14,686.07 for the academic year.
    □ Monthly housing allowance: up to $804.60 (60% of $1,341)
    □ Books and supplies stipend: up to $600 (60% of $1,000.00)

☐ Students receiving a scholarship from an outside organization or employer must provide the Office of Financial Aid with a letter from that organization specifying for which college costs their scholarship funds may be used (i.e. tuition, fees, books and supplies, etc.) and if the scholarship is renewable.

  o Without such a statement from the outside organization, the value of the scholarship will be deducted from the tuition and fees reported to the VA.
☐ Summer certifications of enrollment will not be submitted unless confirmed by the student.

☐ Revisions to the disbursement(s) made by the VA may result in an overpayment of benefits. In these cases, reimbursement of the overpaid amount will be required.

  o It is the student’s responsibility to ensure repayment of the over award.

☐ To renew annually, the student must complete the Benefit Election Form, available from the Office of the Registrar.

☐ Eligible students may request retroactive certification for the Chapter 33 Benefit at any time. The VA ultimately determines eligibility for retroactive Chapter 33 Benefits.

☐ Updated information and further Chapter 33 policy information is available at https://www.benefits.va.gov/gibill/post911_gibill.asp

Yellow Ribbon Program Requirements

The University of Notre Dame has proudly participated in the Post-9/11 GI Bill™’s Yellow Ribbon Program since its inception in August 2009.

☐ Students who are eligible at the 100% level for veterans or dependents under the Transfer of Entitlement Benefit (TEB) will be considered for the Yellow Ribbon award.

☐ Yellow Ribbon opportunities at the University of Notre Dame may vary based upon academic program.

☐ The value of the Yellow Ribbon award is up to one half of the unmet net tuition and fees, capped at the amount committed by the school as outlined in the Yellow Ribbon Program agreement.

  o The University will match the amount of the VA Yellow Ribbon award.

☐ Sufficient benefit eligibility time (i.e. remaining months of eligibility) is needed to cover the full semester or term in order to receive the full Chapter 33 and Yellow Ribbon values for that term.

☐ New Yellow Ribbon awards are offered to admitted students on a first-come, first-served basis determined by the receipt date of the Certificate of Eligibility (COE) (see Documentation Checklist).

  ☐ Required documentation is accepted prior to a student’s admission and registration; however, a student must be admitted and registered before the University will confirm eligibility for the Yellow Ribbon award.

☐ Active duty members and their spouses are not eligible for the Yellow Ribbon award.

☐ The University’s continued participation in the Yellow Ribbon program, the value of the Yellow Ribbon award and the number of Yellow Ribbon awards may change each academic year pending completion of the annual Yellow Ribbon participation agreement with the VA.

☐ Eligible students may request retroactive certification for the Yellow Ribbon award any time during the current academic year. The final day to request certification is the Friday of finals week of the spring semester. Yellow Ribbon retroactive certification will be limited to eligibility for the current academic year only.
☐ The student must maintain Standards of Progress as outlined in *du Lac* and the *Bulletin of Information* and remain in good standing at the University
