  - Effective August 1, 2018, the housing allowance rate is $1,326 at the 100% eligibility tier level.
  - Payment is made directly to the student’s personal bank account at the beginning of each month for the previous month.

    - Tuition and fee benefit cap: $14,203.16 (60% of $23,671.94)

  o Without such a statement from the outside organization, the value of the scholarship will be deducted from the tuition and fees reported to the VA.

• To renew annually, the student must complete the Benefit Election Form, available from the Office of the Registrar.

• Summer certifications of enrollment will not be submitted unless requested by the student or parent.
  
  o Yellow Ribbon is not available for summer enrollment.

• Revisions to the disbursement(s) made by the VA may result in an overpayment of benefits. In these cases, reimbursement of the overpaid amount will be required.
  
  o It is the student’s responsibility to ensure repayment of the overaward.

• Eligible students may request retroactive certification for the Chapter 33 Benefit at any time. The VA ultimately determines eligibility for retroactive Chapter 33 Benefits.

• Updated information and further Chapter 33 policy information is available at http://www.gibill.va.gov/benefits/post_911_gibill/index.html

Yellow Ribbon Program Requirements

The University of Notre Dame has proudly participated in the Post-9/11 GI Bill™’s Yellow Ribbon Program since its inception in August 2009.

• 100% eligibility tier level for veterans or dependents under the Transfer of Entitlement Benefit (TEB).

• The school must participate in the Yellow Ribbon Program and have an opening available.
  
  o Yellow Ribbon opportunities at the University of Notre Dame may vary based upon student level (i.e. undergraduate or graduate student) and academic program.

• The value of the Yellow Ribbon award is up to one half of the unmet net tuition and fees, capped at the amount committed by the school as outlined in the Yellow Ribbon Program agreement.
  
  o The amount of the VA Yellow Ribbon award will be matched by the University.
• Sufficient benefit eligibility time (i.e. remaining months of eligibility) is needed to cover the full semester or term in order to receive the full Chapter 33 and Yellow Ribbon values for that term.

• Eligible students may request retroactive certification for the Yellow Ribbon award any time during the current academic year. The final day to request certification is the Friday of finals week of the spring semester. Yellow Ribbon retroactive certification will be limited to eligibility for the current academic year only.

• New Yellow Ribbon awards are offered to admitted students on a first-come, first-served basis determined by the receipt date of the Certificate of Eligibility (COE) (see Documentation Checklist). Required documentation will be accepted prior to a student’s admission and registration; however, a student must be admitted and registered before the University will confirm eligibility for the Yellow Ribbon award.

• University scholarships (including Provost’s and Notre Dame Club scholarships) are awarded based upon demonstrated financial need. The receipt of Chapter 33 benefits may result in an adjustment of previously awarded University scholarships. The adjustment of University scholarships is made upon the receipt of the VA tuition and fee benefits.

• Active duty members and their spouses are not eligible for the Yellow Ribbon award.

• The University’s continued participation in the Yellow Ribbon program, the value of the Yellow Ribbon award and the number of Yellow Ribbon awards may change each academic year pending completion of the annual Yellow Ribbon participation agreement with the VA.

• The Yellow Ribbon award will be automatically renewed for returning students who have previously received the Yellow Ribbon award as long as the student has sufficient eligibility time remaining and the University continues participation in the program.

• The student must maintain Standards of Progress as outlined in du Lac and the Bulletin of Information and remain in good standing at the University

• Please see more the Post-9/11 GI Bill™ Yellow Ribbon on the VA website at: http://www.benefits.va.gov/GIBILL/docs/factsheets/Yellow%20Ribbon%20Program.pdf

**University Student Account**

• The VA benefits must be received before the University will credit the disbursement to your account. Payment of University charges exceeding the VA benefits is required by the due date.

• Payment of the room and board charge is required by the due date each semester.

• Families receiving Chapter 33 housing benefits may find the interest-free monthly payment plan helpful to cover remaining charges. Information about the payment plan may be found here: http://studentaccounts.nd.edu/payments/monthly-payment-plan/.
