

## Repeatable Undergraduate Courses

Last refreshed: 1/11/18 2:05 PM

Please note: The dean's office of each college reserves the authority to determine what credits count toward degree-credit for graduation purposes. This report provides a list of the undergraduate courses for which a student can register without special permission when they already have credit for previously taking the course. The report is sorted by college, then by department, and then by subject. If there are any questions about the accuracy of this information, please contact Chris Temple in the Office of the Registrar by emailing [ctemple@nd.edu](mailto:ctemple@nd.edu).
